

## NOTICE OF ONLINE PUBLIC INFORMATION CENTRE 2 PLANNING, PRELIMINARY DESIGN AND CLASS ENVIRONMENTAL ASSESSMENT Highway 401 Planning Study, Brockville, GWP 4003-19-00

The Ontario Ministry of Transportation (MTO) retained Stantec Consulting Ltd. to undertake a Planning, Preliminary Design, and Class Environmental Assessment (Class EA) Study for Highway 401 from 2 km west of Stewart Boulevard to 750 m east of North Augusta Road (about 4.5 km), within the City of Brockville. The study will develop a plan for the rehabilitation and/or replacement of five (5) structures, determine the long-term plans for the Stewart Boulevard and North Augusta Road interchanges, and will establish the future footprint for interim six lanes and ultimate eight lanes of Highway 401.

### THE PROCESS

This study is a “Group B” project under the Class EA for Provincial Transportation Facilities (2000) and includes undertaking environmental and engineering field investigations; and seeking input from the public, local municipalities, external ministries/agencies, businesses and Indigenous communities. Upon completion of preliminary design, a Transportation Environmental Study Report (TESR) will be prepared and made available for a 30-day public comment period.

### ONLINE PUBLIC INFORMATION CENTRE 2

Public Information Centre (PIC) 1 was offered on the study website between December 10, 2020, and January 21, 2021, to present and solicit feedback on the study background, existing study area conditions, preliminary improvement alternatives, the evaluation process, and next steps in the Class EA process.

PIC 2 is currently being planned to present and gather feedback on the evaluation of alternatives, the technically preferred plan, and next steps in the Class EA process. **PIC 2 will be available for your review on the study website at [www.highway401brockville.ca](http://www.highway401brockville.ca) on January 26, 2023.** A recorded presentation will be available as part of the PIC until February 24, 2023.

### COMMENTS

You are encouraged to participate in the study and to provide comments to the study team. If you wish to have your name added to the study mailing list, have any comments, questions or concerns, and/or are unable to access the online PIC 2 materials provided on the study website, please contact one of the following study team members:
